Heading off to a new horizon

Front Cover created by: William Goode

Principal's Message

Farewell to the Class of 2025

As we say goodbye to the Class of 2025, I'm struck by the uniqueness of this group. With just 23 students, you may be the smallest graduating class in Newton Moore Senior High School's recent history - but your impact has been anything but small.

The number 23 holds powerful meaning. It's the number of chromosome pairs that make up our DNA - the very blueprint of our identity, individuality, and potential. Just like those chromosomes, each of you carries something essential and irreplaceable. You've each contributed a unique thread to the fabric of our school's story.

In sport, 23 is iconic - worn by legends like Michael Jordan and David Beckham. It's a number that represents excellence, leadership, and influence. And in your own way, each of you has embodied these qualities - through your academic efforts, your creativity, your resilience, your kindness, and your leadership.

As you prepare to leave Newton Moore, remember: you are not just part of a number. You are 23 individuals, each with your own story, your own strengths, and your own future. Some of you will pursue further study, some will enter trades or the workforce, and some may still be discovering your path. Whatever direction you take, know this - you are ready. You are capable. You are enough.

You don't need to have it all figured out. You just need to be brave enough to begin.

Please take a moment to reflect and thank those who have supported you your families, your teachers, your friends. Their belief in you has helped shape the person you are today.

To the Class of 2025: remember, you are forever a "Moron" - and we mean that with pride.

Keep in touch, and let us know where life takes you next.

With warmest wishes,

Kate Nightingale

Principal, Newton Moore Senior High School

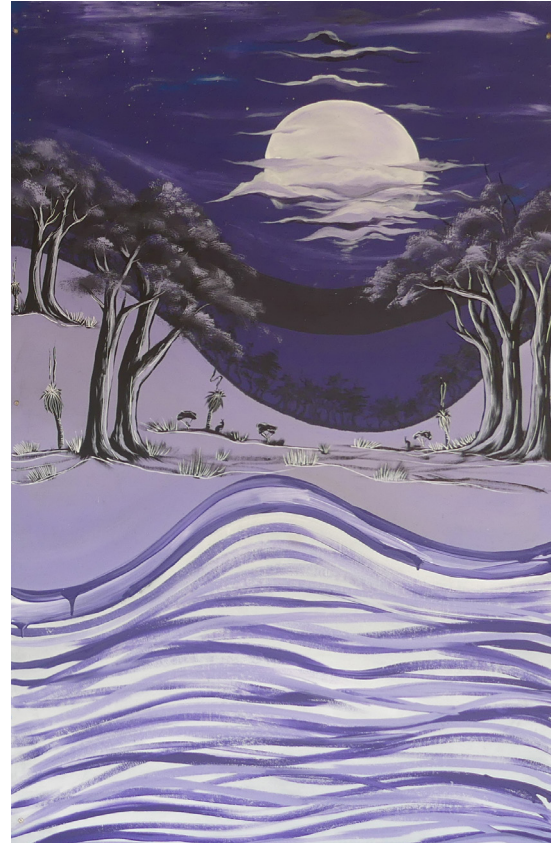

Welcome to Country

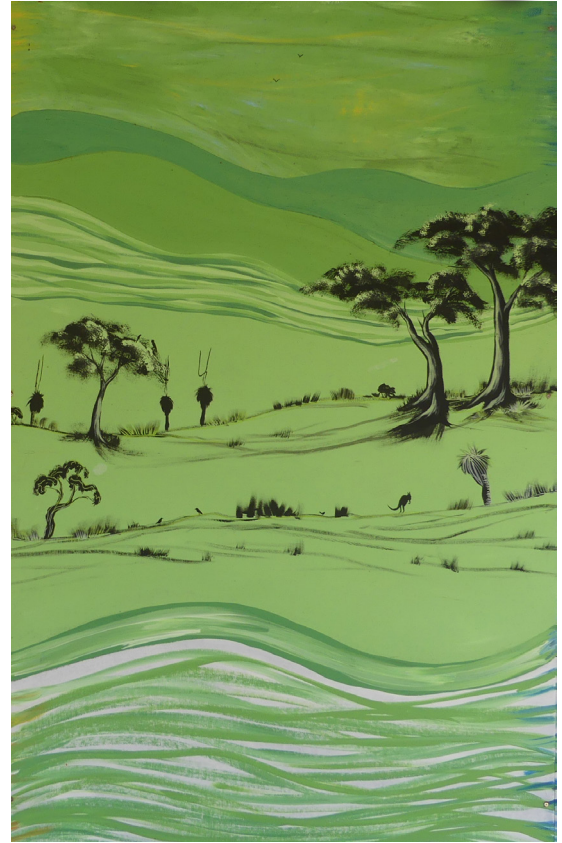

We wish to acknowledge the traditional Custodians of the land we are meeting on Noongar Boodja, the Wadandi people.

We acknowledge and understand that Elders, parents, families and communities are the first Educators of their children and we recognise and value the Cultures and strengths that Aboriginal children bring to the classroom.

Aboriginal people have a long tradition of teaching and learning through sharing their connections with Country, Community, Language and Culture, and through their oral histories, stories and lived experiences that are passed from generation to generation.

We recognise and value the learning that Aboriginal children bring with them from their homes and communities into the classroom.

We wish to acknowledge and respect their continuing Culture and the contribution that they make to the life of this region.

2025 Student Executive and Leadership Team Rundown

Our Student Executive and Lower Leadership teams have been a true credit to our school community this year. They have worked tirelessly behind the scenes, supporting almost every school event with enthusiasm and teamwork. From designing posters to organising set-ups, they have ensured our fundraisers, assemblies, and special events ran smoothly and successfully.

Their willingness to give their time supporting parents during parent evenings, helping at the schooldisco, and representing our school at Bunbury events such as the ANZAC Service demonstrates their growing confidence and commitment. Throughout the year, they have become more efficient, capable, and inspiring leaders.

We are extremely proud of everything they have achieved in 2025 and look forward to celebrating with them as we head towards our exciting end-of-term camp.

Deputy Principal's Message

I'm sure that when you started Year 7 way back in 2020, finishing Year 12 felt like a very distant possibility. You may have wondered if you'd ever be done with school - but here we are. You've done it, and for that, you all deserve a massive pat on the back. Reaching this milestone is no small feat, and I applaud you.

As you leave Newton Moore Senior High School and embark on a new chapter in your life, never forget the valuable lessons you've learned here. Whether it was a conversation with a staff member encouraging you to stay the course, or something you picked up in class, you may not need it today - or even next month - but a moment will come when you'll realise just how much you've gained from your time at school.

My one piece of advice to the Class of 2025 is this: never stop looking for opportunities to learn something new. As humans, we are naturally inquisitive - embrace that curiosity and let it guide your growth.

It has been a pleasure working with you this year. Although I've only been your Deputy Principal for a short time, it's been amazing to watch you all step up and get things done. Even though some of us needed a bit more persuasion than others, we got there in the end.

As I say goodbye, I want to leave you with three things to never forget:

1. Live your life with integrity - do the right thing, even when no one is watching.
2. Mistakes are a good thing - if we reflect and learn from them.
3. Always stay humble and be kind - we never truly know what someone else is going through.

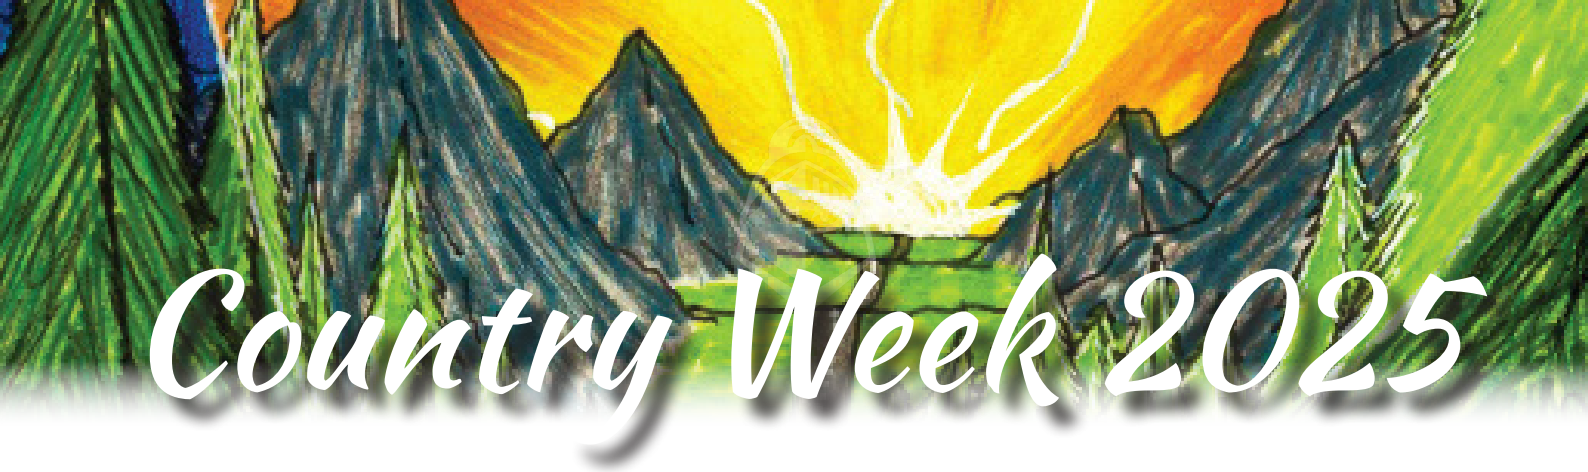

On that note, I wish you all the best as you venture forward and embrace the new challenges ahead. Always remember—we love to catch up and hear how you're going. Don't forget us.

To the Class of 2025... let the adventures begin.

Farewell

Byron Engelbrecht
Deputy Principal

Country Week 2025

Country Week 2025 was another outstanding event that Newton Moore Senior High School are fortunate enough to participate in. The week provided an excellent opportunity for students to represent our school, build friendships, and experience the excitement of inter-school competition against regional schools from across Western Australia.

This year, Newton Moore SHS took a young contingent of students to Perth including only five year 12 students, to compete in a range of sports. The enthusiasm and commitment shown by all teams were exceptional, with students displaying the school values of Respect, Responsibility, and Success throughout the week.

Our teams performed admirably across all competitions, with several notable highlights:

- The **Girls Volleyball** team had an exceptional week, winning the most games of any Newton Moore team. Their teamwork, energy, and determination were a standout across the competition.
- **Boys Volleyball** battled hard, showed perseverance and a stubborn attitude to play each match out to the very end.
- The **Boys Soccer** team recorded the most memorable win of the week — a thrilling match that showcased their persistence and school pride.
- **Netball** demonstrated impressive teamwork and resilience, finishing 4th.
- The **Hockey** side showed great resilience and perseverance to grind out the week with an inexperienced side.
- **Basketball** represented the school with pride, showing excellent communication and energy in every game.

While results varied across the sports, what stood out most was the level of effort, fair play, and positive attitude displayed by every student.

Students were exemplary representatives of Newton Moore SHS, demonstrating maturity, teamwork, and leadership throughout the week. Teachers, officials, and other schools consistently commented on the excellent behaviour and sportsmanship of our group.

Country Week 2025

Evenings were filled with team meetings, group activities, and opportunities for students to reflect on their performances and bond as a school community. It was fantastic to see senior students mentoring younger peers, helping to create a supportive and inclusive environment.

A huge thank you to the dedicated staff who volunteered their time to coach, supervise, and support our students throughout the week. Thanks also go to our bus drivers, support staff, and administration team for ensuring the event ran smoothly and safely.

Shout out to our Year 12's who we are sending off, Ronaldo Tan, Larissa Berry, Lucas Worley, Heidi Slater and Toby Walker. All valuable assets to our sporting team and will be missed by our players and coaches. Country Week continues to be one of the most rewarding experiences on the school calendar — offering students not only a chance to compete, but also to grow in confidence, resilience, and teamwork. This year's group can be extremely proud of their efforts and the way they represented Newton Moore Senior High School.

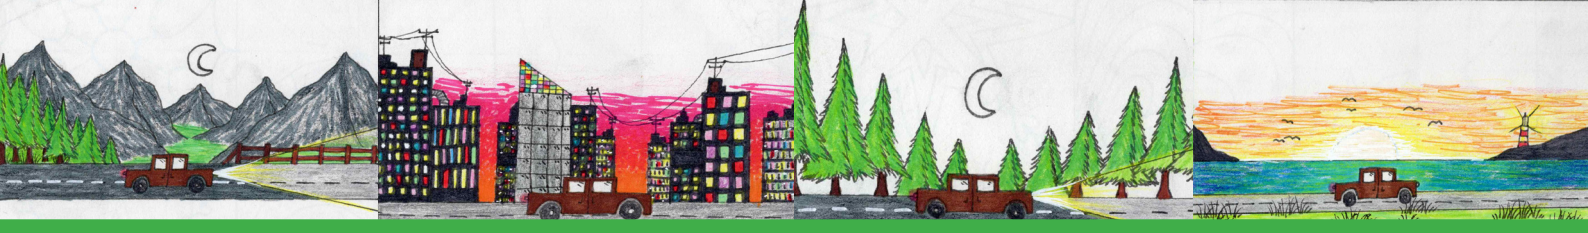

Country week Captains Report

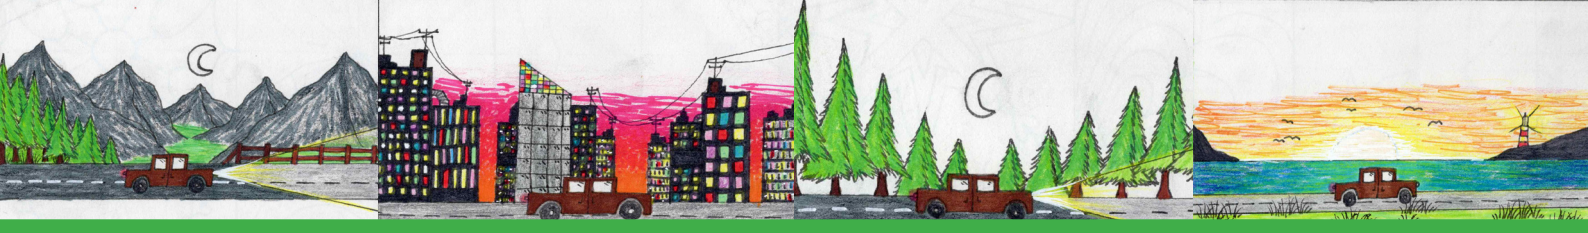

Country week 2025, was one to remember! Our Soccer team finally won a game (first one in 3 years).

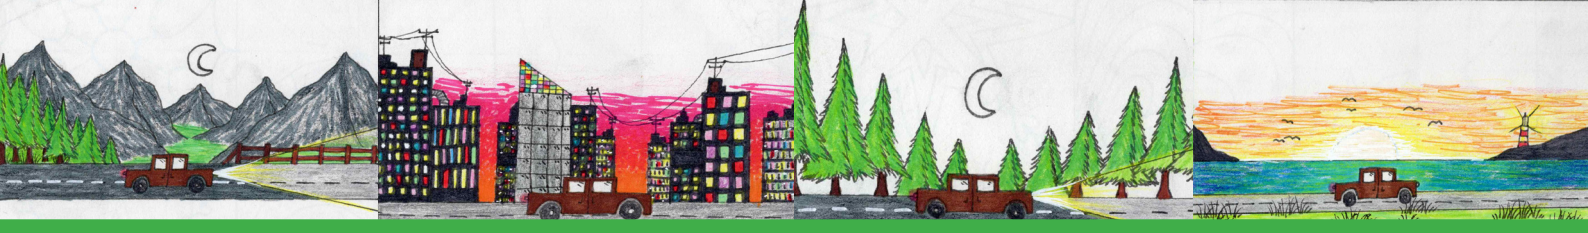

All our other teams performed amazingly well. Girls Volleyball making the grand final and becoming runners up.

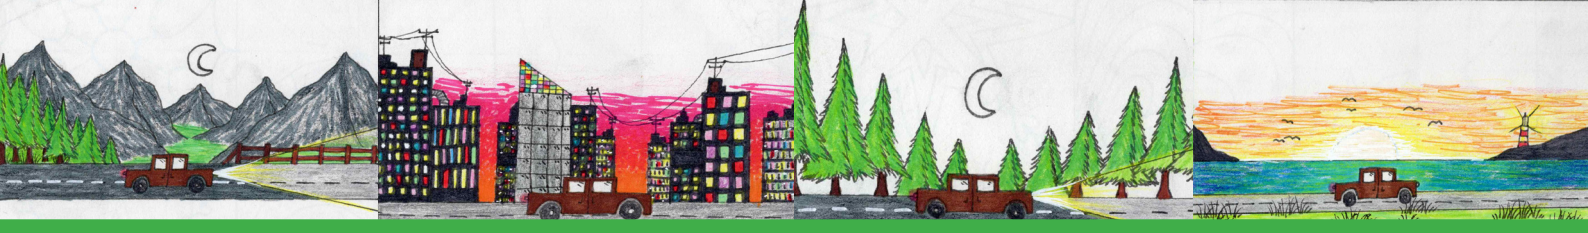

It was a great experience and everyone had a blast. The week was full of close games, laughter, support and a couple of tears and interesting haircuts. Overall the school competed out of their weight division and finished top 10 in tier 2. We hope all year 12s had a great time, created life long friendships and amazing memories.

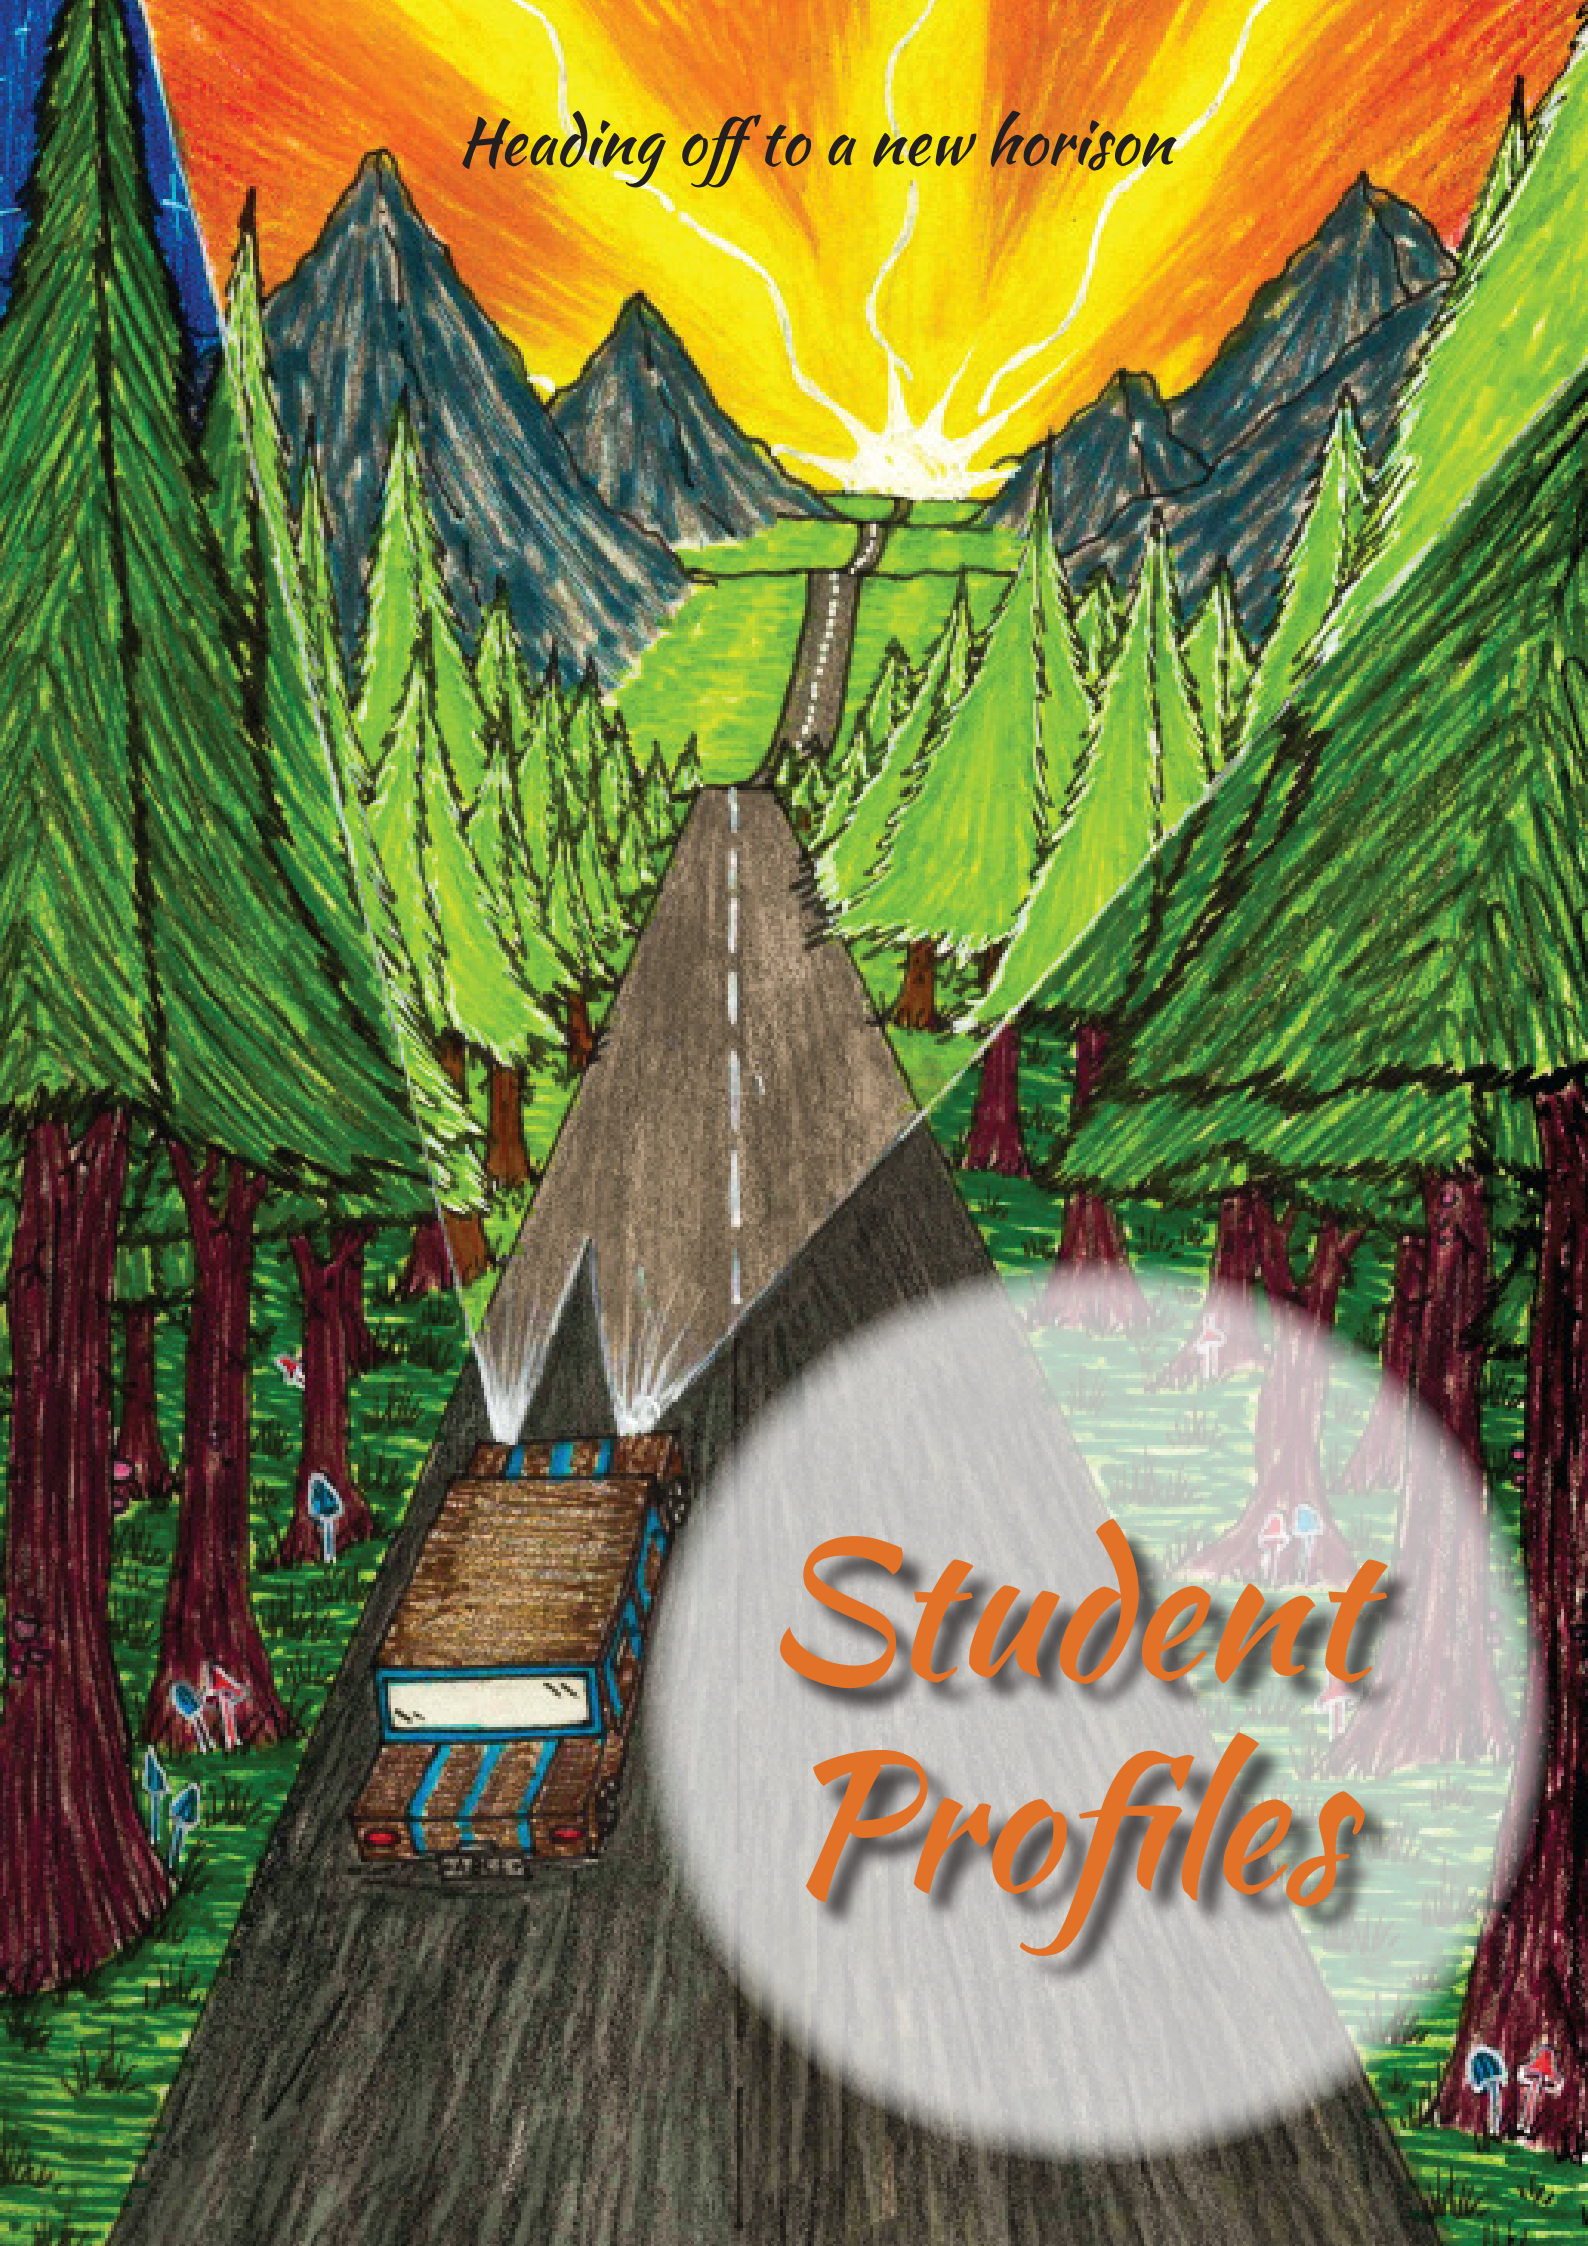

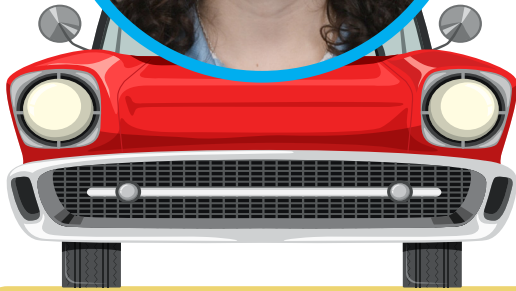

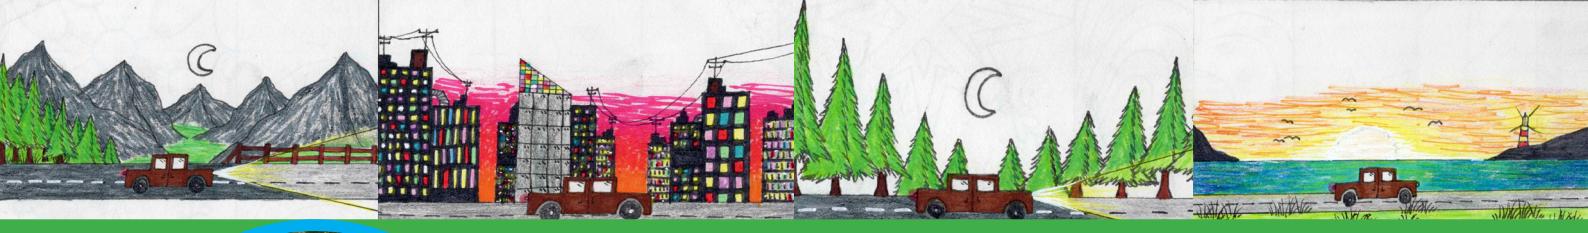

Heading off to a new horizon

Student Profiles

Larrisa Berry

Four Words that describe me

**Opinionated • Short tempered
Devoted • Kind-hearted**

My Favourite:

Quote: "Be you, not them"

Food: Hot chips

Colour: Blue

Subject: English/Art

Activity: Cooking, drawing and hockey

Movie: 10 Thing I Hate About You

Song: 28 - Zach Bryan

Best advice given to me:

No point caring about other people's opinions. They haven't been in your shoes, and only know the surface of you. So simply just go with the flow, and imagine your thoughts are like a wave. Watch them go up and then float away.

Not So Serious Awards :)

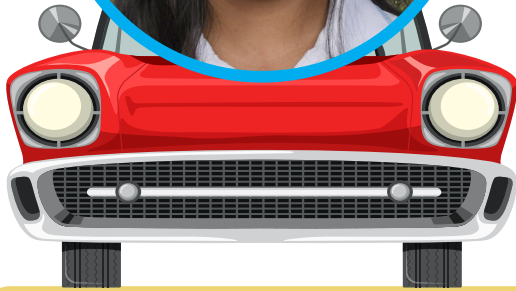

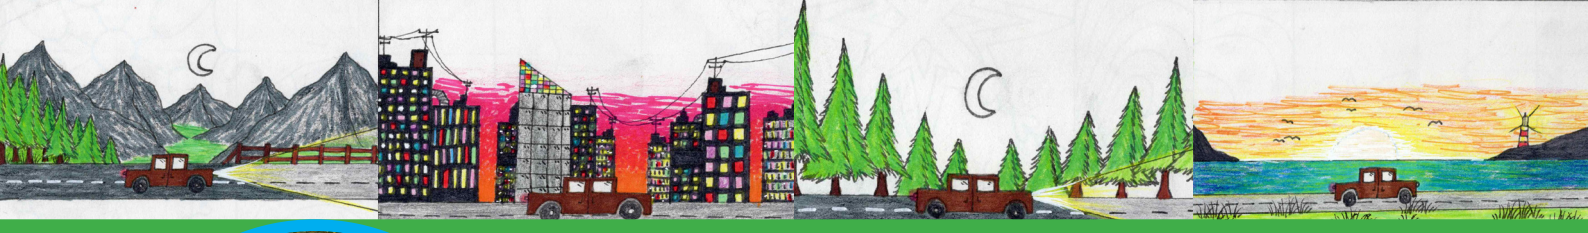

- * The Purple Hoodie Protest Power Award
- * The Future CEO Award
- * The Berry Honest Award
- * Most likely to be featured on "World's Worst Roommate" when she finally Blows Her Lid

Where will you see me in 5 years time?

Probably traveling around Australia

Janel Brioso

Four Words that describe me

**Short/small • Asian
Talkative • K-Pop addict**

My Favourite:

Quote: "Life is a soup and I am a fork"

Food: Sushi, Ramen

Colour: Black

Subject: English

Activity: Watching K-Pop

Movie: Zootopia

Song: Crown - TXT

Best advice given to me:

Anyone can lose their way. All you need is the courage to walk the unfamiliar and daunting path again.

Choi Seungchol
(Seventeen)

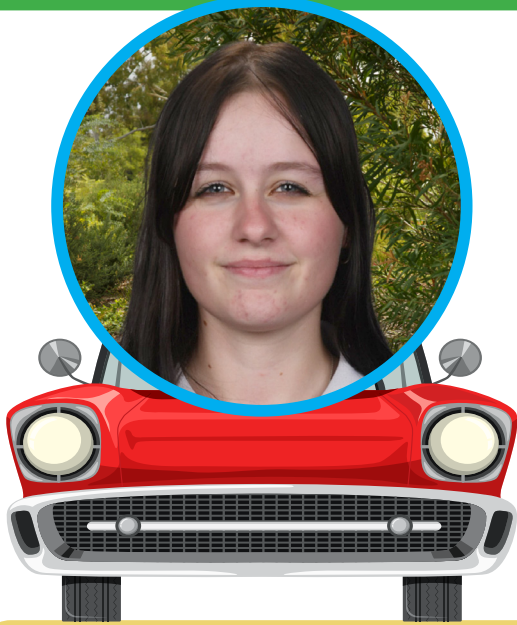

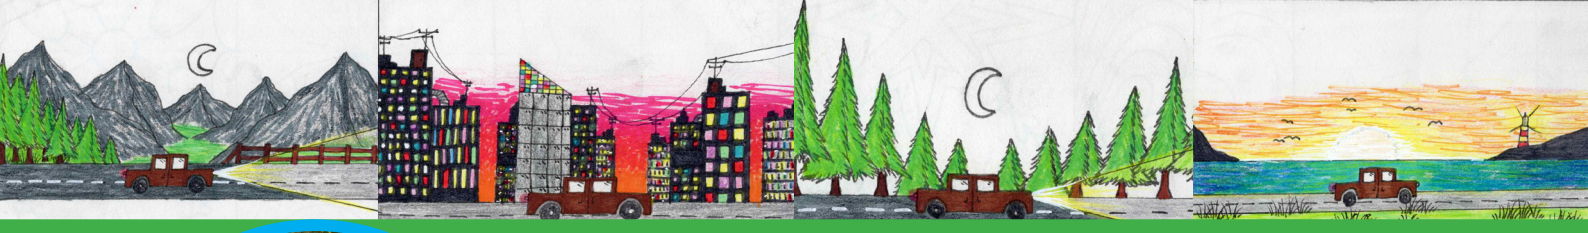

Not So Serious Awards :)

- * The Most Likely to Have a Town Named after them Award
- * The Human Planner Award
- * The Tiny Tornado Award
- * The Short and Sweet Award

Where will you see me in 5 years time?

In the hospital as a patient

Caitlyn Campbell

*Four Words that
describe me*

**Curious • Perceptive
Adventurous • Restless**

My Favourite:

Quote: "All good things come to those who wait" - Hannibal Lector

Food: Burger & Chips

Colour: Red

Subject: English

Activity: Sleeping

Movie: The Silence of the Lambs

Song: To live is to die - Metallica

*Best advice
given to me:*

Don't hate the
person, hate their
actions

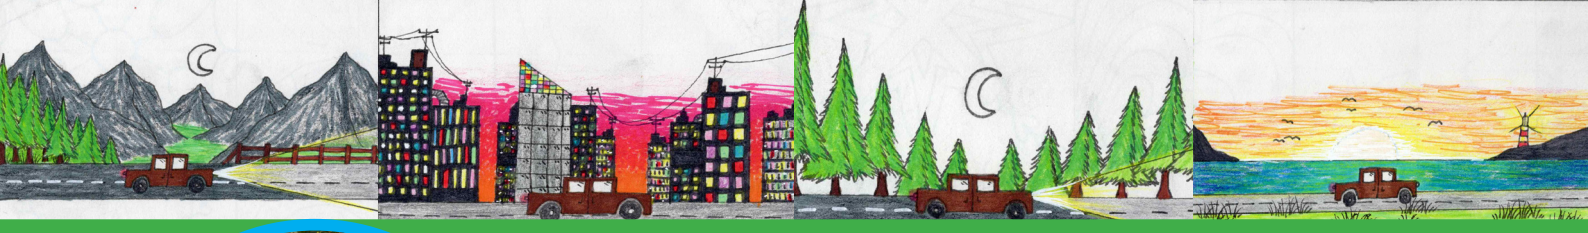

Not So Serious Awards :)

- * The Giggler Award
- * The Chief Giggle Generator Award
- * The Muppets Swedish Chef Award
- * The Yard Informants Award

*Where will you see me
in 5 years time?*

Dead or in University :)

Jarrah Chandler

*Four Words that
describe me*

**UHHH • Yep
You're • Welcome**

My Favourite:

Quote: "If fighting is sure to result in victory, then you must fight" Sun Zu said that!
Soldier #2

Food: Spaghetti Bolognaise

Colour: Hot pink

Subject: Woodwork

Activity: Shooting

Movie: Shrek Swamp Stories

Song: Give life back to music - Daft Punk

*Best advice
given to me:*

Don't leave the house
naked!

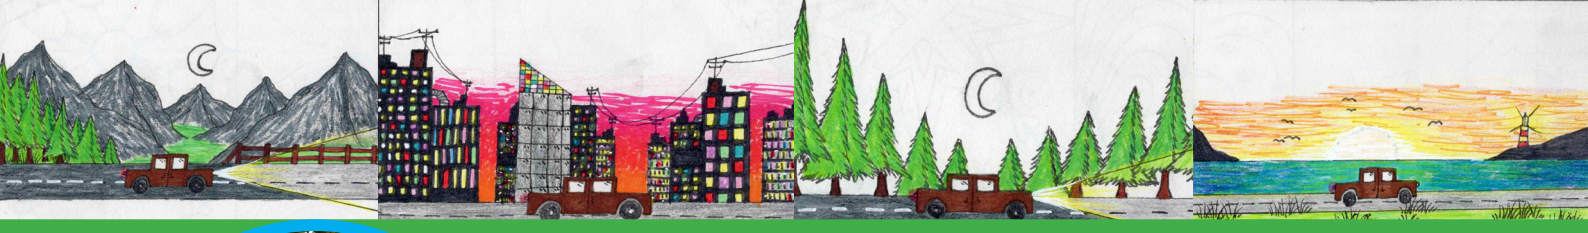

*Where will you see
me in 5 years time?*

In the Army

Not So Serious Awards :)

- * The most Likely to Win the Lottery and Lose the Ticket Award
- * The Too-Nice-To-Be-True Award
- * The Robo Cop Award
- * The Cruise Control Captain Award

Jack Espinos

*Four Words that
describe me*

**Greatest • Of
All • Time**

My Favourite:

Quote: "Aww shut up" - Tristan Hollemang

Food: KFC

Colour: Blue

Subject: Sport

Activity: Gaming

Movie: Batman

Song: Superman Theme song

*Best advice
given to me:*

Don't do drugs

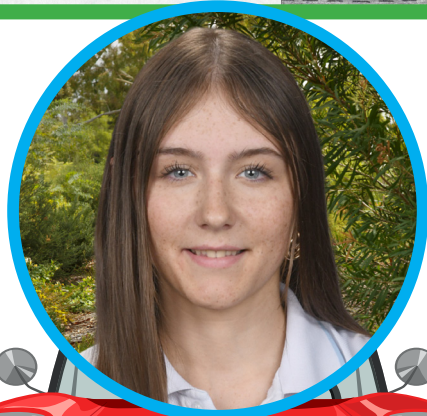

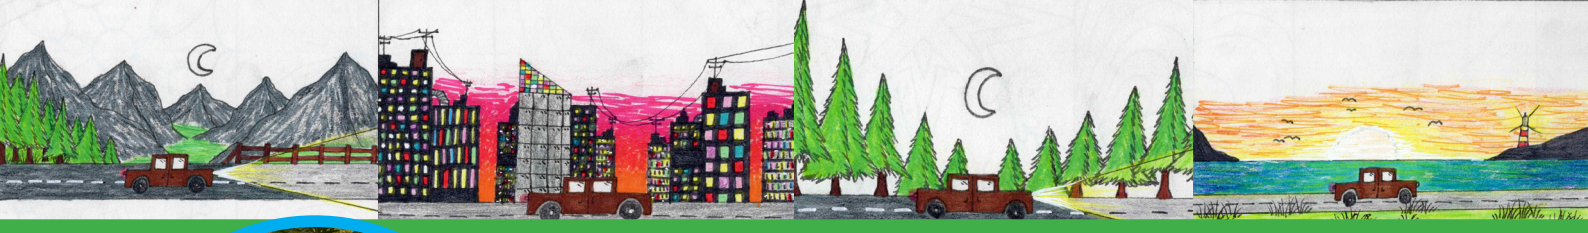

*Where will you see
me in 5 years time?*

A millionaire on a yacht

Not So Serious Awards :)

From us to you...

Believe in yourself - unless you're
trying to parallel park

Stuart Henden

As you wrap up your final days at Newton
Moore, take pride in how far you've come.
You've shown resilience, courage, and heart.

Now it's time to take on the world!
We're proud of you and excited for what's next.
Go chase your dreams
and make your mark!

Amy King

From classroom to career - you've
put in the work and now it's time
to take it further. Congrats on
finishing Year 12 - your skills are
your superpower.

Tish Kneuker

Your career journey starts with
curiosity, courage, and choice.
Keep exploring, keep growing -
your future is yours to shape.

Stella Audino

It was a pleasure to know you. I wish you the best; I hope that you
embrace your new freedoms and responsibilities as you move
forward, that you take what you have learned so far and keep
growing. Stay healthy, stay safe and congratulations!

Alison McCarthy

Please remember that HASS has
taught you that history repeats
itself, geography explains why you
are lost, civics helps you argue with
confidence, and economics reminds
you why you're broke. Basically, it's
preparing you for adulthood

Mel Jones

Year 12, remember this: to succeed in life, you
need three things: a wishbone, a backbone,
and a funny bone. Never be afraid to wish for
things you have only ever dreamed of, don't
let fear stop you from doing what is right,
and always stop to see the wonder in life; find
the humour. Because you will remember the
laughter when you're old.

Hannah Symons

Be you, not them. Take risks, trust
yourself, back your weirdness and
keep being the legend you already
are. It's been an absolute pleasure
getting to know you guys. All the
best for the future

Zoe Quatermaine

School Ball

Newton Moore Senior High School Ball – Winter Wonderland 2025

On Saturday, March 8, students and staff of Newton Moore Senior High School & Newton Moore Education Support celebrated our annual school ball with the enchanting theme of "Winter Wonderland." The evening sparkled with laughter, music, and plenty of dancing as students embraced the magical atmosphere.

We enjoyed a delicious buffet, great music from our DJ's, and plenty of good vibes throughout the night.

Special congratulations to our award winners:

Best Vibes: Daniel Archer

Best Dancers: Zachary Maddocks & Ryley Stranger

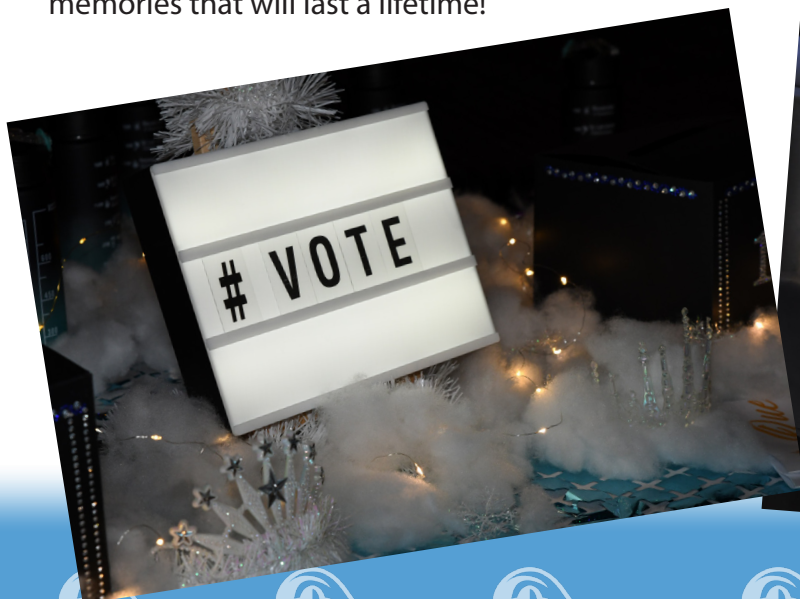

Best Couple: Grace Michael & Tea Chinnery

Year 11 Prince of the Winter Wonderland: Clay Mildwaters

Year 11 Princess of the Winter Wonderland: Pippa Simmonds

King & Queen of the Winter Wonderland: Hayden Robins & Larissa Berry

It was a truly unforgettable night filled with joy, friendship, and celebration — a perfect way to make memories that will last a lifetime!

Year 12 Assembly

Farewell Speech Year 12 Assembly

Good morning, everyone. Family, friends, teachers, special guests and most importantly Newton Moore Senior High Schools 2025 graduates. My name is Larissa Berry and joined with me today is Jarrah Chandler and it is our honour to be here representing the year 12s and as the school captains of our school for 2025.

Wow, can you believe it? We've officially made it! Who would have thought this day would come? We're definitely a unique bunch, to say the least. We've lived through unprecedented times, navigating the twists and turns of a global pandemic. We've spent 6 years finding creative ways to get through tests and assessments and perfecting the fine art of looking busy while our minds were somewhere else entirely. We've sat through countless classes - some that kept us wide awake and some that tested our ability to stay that way - and somehow, we made it through them all. Whether we remember every detail or not, we've learned, we've grown, and we've shared a journey we'll never forget.

I'm sure we can all agree that high school has been a roller coaster to say the least. Filled with a lot of tears, laughs, stress and functioning on not many hours of sleep for some of us. For most it's pushed us to our very limits in life, yet we're all here before you ready for the real world ahead. Being here has taught me that anything could change in a matter of minutes. Friendships will come and some will last from here onwards. Others will perish just from the distance and simply not being forced to be in a classroom anymore. Some people will walk out of here in a relationship that could end up being their soulmate for life, but honestly the scary part about this all is that none of us will know what comes next.

Some advice I can give you all is to never take anything for granted; because in a blink of an eye it could all be gone and taken away from you for reasons that are unknown. Like it's said a lot, tomorrow isn't promised. So, you must live life every day to

the fullest. Also remember that this is school. Yes, it's a time for learning as they all say, but high school is about finding yourself in some way. It's the time where you're meant to make mistakes and learn from them as best as you can. Don't take all the tests and the whole school environment so seriously or you'll miss out on the joy of having the ability to attend school, unlike so many others in the world.

When we were told as Year 7s that high school would go by so fast, I don't think any of us took it seriously. I think I can speak for all of us on the fact that this did go by quick. 6 years sounds like a drag but believe me it'll fly by, before you are even able to wrap your head around it all. We can all remember when we first started high school, which puts it into reality of how fast this time has gone by for us to get here today. In no time you too will be standing here, ready to go into the world and start your life.

As much as we hate to admit it, we owe a massive thank you to the teachers of Newton Moore. Without your guidance, we might still be trying to figure out how to submit assignments on time - or at all. Some of us were teacher's pets, others were more like teacher's puzzles, the reason they didn't want to come into work today. But regardless of our antics, you never gave up on us. You reminded us about deadlines (repeatedly), scolded us when we weren't paying attention (which was often), and most importantly, believed in us - even when we didn't believe in ourselves. So, here's to you, our incredible teachers. Thank you for your patience, your persistence, and your unwavering support. We couldn't have made it without you.

Big thanks to our parents, grandparents, siblings, aunties, uncles, and every cheering section both here in person and in spirit. Honestly, if you lot hadn't dragged us out of bed, driven us to school, and fielded our emergency "But the dog ate my homework" calls, we'd probably be repeating grade 10 - at best. You've been more than emotional support - you've been our personal Door Dash heroes, taxi drivers, and crisis negotiators ("Yes, Mum, I did hand that assignment in..." eventually). From countless meetings about our tardiness to rescue operations on tired mornings, you've literally carried us to this moment. We know we weren't always easy - especially on those days when we thought school was overrated and quitting sounded like a plan. But you never did. You believed in us even when our motivation was on extended leave. And that faith? That's the reason some of us made it here today. So thank you - for dragging us, coaching us some may say, and sometimes bribing us with Mecca's for breakfast - most importantly, for believing in us even when we didn't. We wouldn't be standing here without you.

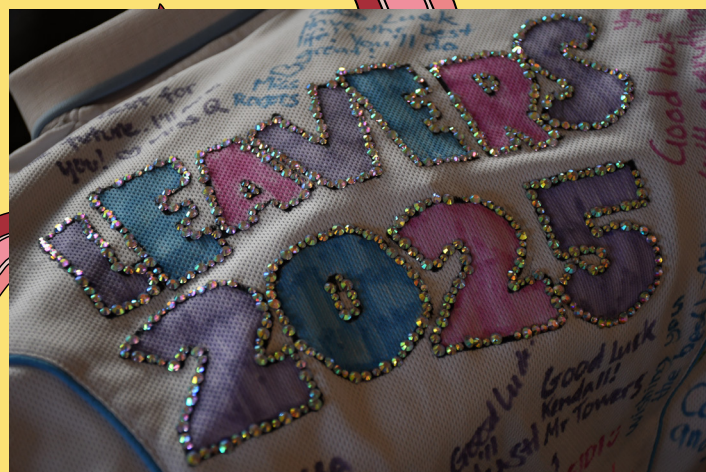

That being said it's a goodbye and thank you from your year 12s of 2025.

Year 12 Captains - Larissa Berry and Jarrah Chandler

Year 12 Breakfast

ANZAC Day

Honouring the Spirit of ANZAC

On the final Friday of the school holidays, members of our Student Executive Team, along with several emerging student leaders, proudly represented our school at the annual ANZAC Day Parade. With dignity, respect, and unity, our students stood tall among the community, reflecting the values of service, courage, and sacrifice that ANZAC Day embodies.

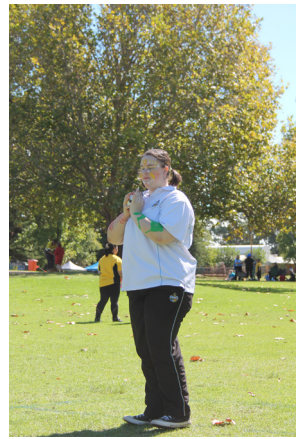

The commemorations continued with our school's ANZAC Assembly, a moving event that brought students, staff, and community members together to honour the legacy of those who served. We were privileged to welcome special guests including Ms Fiona Hinds, representing Don Punch MLA; Mayor Jayson Miguel from the City of Bunbury; and School Board Member Shaline Holzapfel.

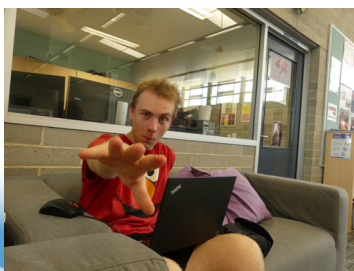

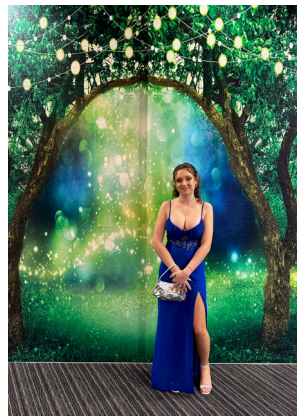

The assembly featured heartfelt and reflective stories shared by our dedicated teachers - Ms Rogers, Mr Hunter, Mr Robinson, and Ms Elouise. Particularly touching was Ms Gaylard's personal story, which offered a deeply moving and intimate connection to the significance of ANZAC Day, reminding us of all the real lives and families behind the history. Their words provided a powerful reminder of the sacrifices made and the resilience of those who served, both past and present.

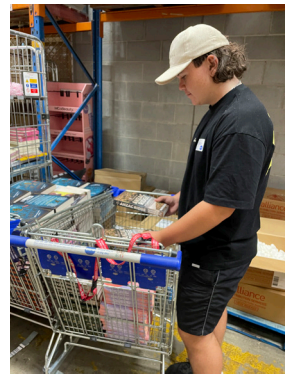

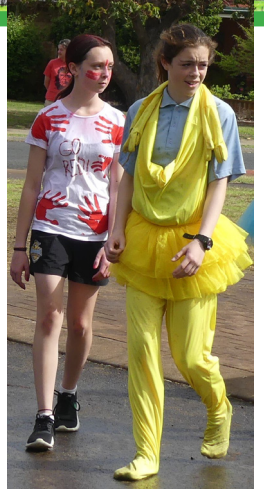

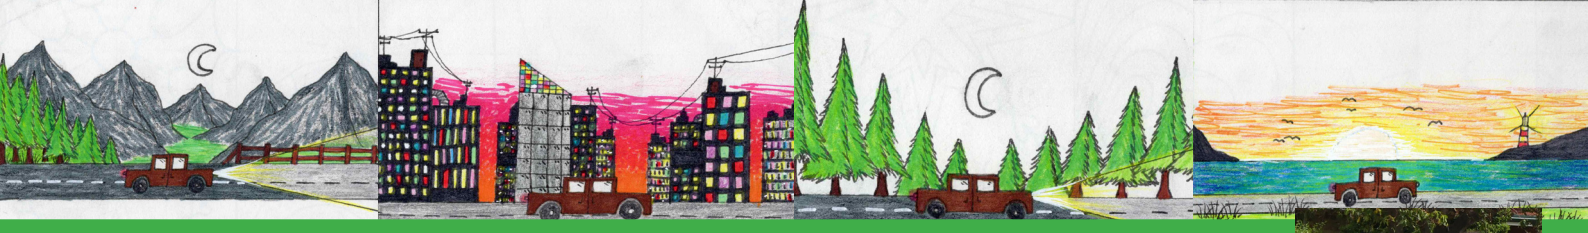

Through these events, our school community paid deep respects and ensured that the ANZAC spirit continues to live on in the hearts of our students.

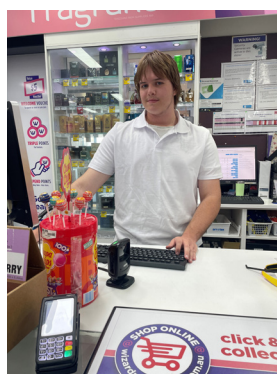

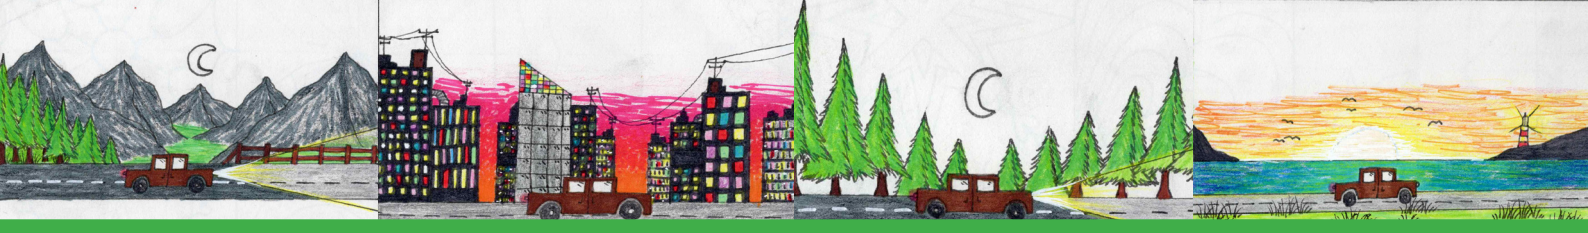

Memories...

Class of '25

Wellbeing Coordinator

It was my great pleasure to be standing up at the Year 12 assembly as the 2025 Year 12 Wellbeing Coordinator to the extraordinary group of people that were sitting before me.

When I first started at Newton Moore nearly 4 years ago, I had this group as then year 9's and I tell you it's been a series of events for us all. You have together survived the rotating groups of friendships, the many tests and assessments you had to submit (sometimes 4 days past it's due date). You have listened to me at countless assemblies and year meetings repeatedly reminding you about school expectations and coincidentally have watched me cry at every year 12 assembly. Today is no exception.

The growth I have seen from every single one of you is one of the most beautiful parts of being a teacher and being with you along for the journey. I would like to share some wise pointers about life and surviving as an adult.

1. Learn how to cook at least one real meal.

And no, Mi-Goreng packet noodles do not count.

And yes, it's okay if you still call your mum and ask, "How do I know if the chicken is cooked?"

2. Budgeting is just adult Tetris.

Rent, phone bill, Netflix, food, Uber Eats.

Somehow, the numbers never fit—but try anyway. Pro tip: Just because you have money doesn't mean you need to spend it on menu log for the third night in a row.

3. Washing machines do not separate colours.

Unless you want all your clothes to be a weird shade of pink, learn the sacred art of separating whites from darks. This is the kind of high-stakes decision they never taught you in maths.

4. No one actually knows what they're doing.

You think adults have it all figured out? Nah. Most of us are just winging it. The secret is to look confident while Googling "how to lodge a tax return" in one tab and "how to change a tyre".

5. The two hardest things to say are I'm sorry and to ask for help.

Never be too stubborn or proud to say you're sorry and ask for help when you need it. There are people always in your corner who you can lean on during those tougher moments of life. You also need to practice the lifelong skill of self-reflecting and accept that at times you may be wrong and may need to take accountability.

6. You can't pay your mortgage with vibes.

Yes, chase your dreams. Yes, take time to figure things out. But also... have a job. Even if it's part-time. The hustle is real, folks, we all start somewhere in our working career, but the point is you make the start.

The real world is hassling you and is waiting - you're ready for the ups and downs of life but the point is to LIVE your life. Get out of your comfort zone, go see the world, treat others with kindness and respect. Remember to work hard, sometimes the best things in life aren't free. Life will throw you many curve balls, the good the bad and the unexpected. Remember to have faith in yourself and be resilient.

But in all seriousness, Year 12s:

Today marks the end of a chapter, and the beginning of something brand new. Whether you're heading to uni, TAFE, an apprenticeship, a gap year, or just trying to figure it all out—remember that this place, Newton Moore, will always be part of your story.

You've grown here. You've failed, succeeded, laughed, cried, and probably got told off for being late at least once or twice. But you made it. And we're so proud of you.

To highlight your time at Newton Moore year 12's, I went through the photo archives from the last 6 years to put together a video of your school journey. Let's be honest, it only took 7 hours, 48 minutes and 24 seconds for me to make this video and I only cried 3 times when watching it with the song added in.

I have treasured our time together and am proud of every single one of you.

Congratulations, Year 12's.

Brooke Edwards

Wellbeing Coordinator - Student Services

The following few pages have some photos from the video.....

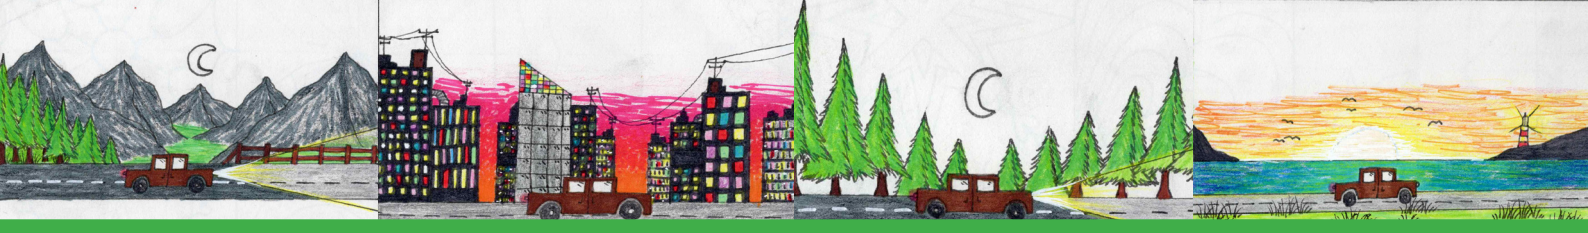

Year 12 Dinner

The Class of 2025 celebrated their Year 12 Dinner in style at the beautiful Highway Hotel on Wednesday the 24th of September, marking the end of their school journey with laughter, memories, and plenty of fun. The venue provided the perfect backdrop for the evening, with a warm and welcoming atmosphere that set the tone for a truly special night.

Our year 12 students and staff enjoyed a delicious meal for their main and dessert that had everyone talking, with the food and service adding to the sense of celebration. The night was filled with smiles and laughter as both staff and students took part in the much-anticipated "Not So Serious Awards." From funny superlatives to light-hearted recognitions, the awards captured the unique spirit and humour of the graduating class.

It was a memorable evening that perfectly reflected the close-knit community of Newton Moore Senior High School. Congratulations to the Class of 2025 — may your futures be as bright as the memories made that night!

NAIDOC

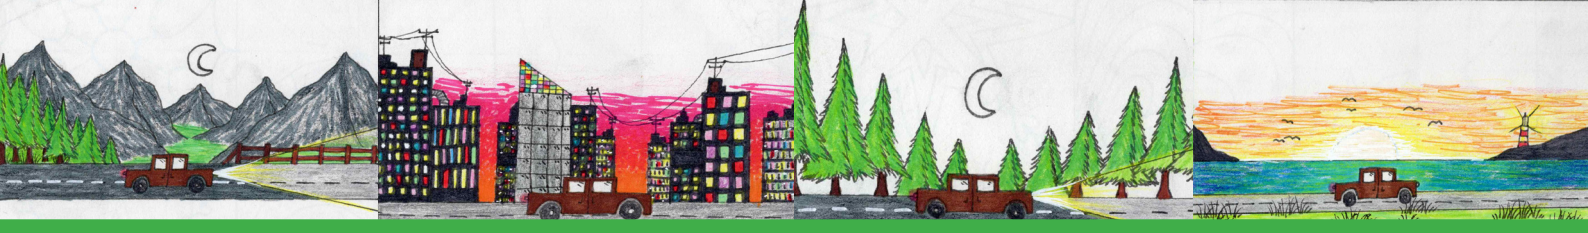

NAIDOC Day Celebration were held on Tuesday 16th September recognising 50 years of NAIDOC and honouring Indigenous voices, culture and resilience. 2025 NAIDOC theme was; The Next Generation: Strength, Vision and Legacy, celebrating the achievements of the past looking ahead to the future.

The school's NAIDOC Day celebrated and showcased the Indigenous students who performed cultural dance, played the didgeridoo, performed songs in language, and sand art. There were tastings of Glen's famous Kangaroo Stew, Nan Tania's Damper, and some nicely barbecued Kangaroo Kebabs.
