YEAR ELEVEN

NMSHS provides a comprehensive IT infrastructure to support learning in the digital age. The School provides internet access and extensive wireless coverage across the whole school. It is our expectation that students from all year groups bring their own device to support learning in our school. BYOD means you can bring an appropriate laptop or tablet to school and use it in classes and for study purposes.

.

Please note that some items on this Resource List give you an option between a 'Digital Only' resource or a 'Print & Digital' bundle . These bundles include both the digital resource and a physical printed book, and are clearly labelled as 'Print & Digital' in the Online Ordering Portal.
To ensure access to digital content, school recommends purchasing a new book. New books include valid access code when required. Reactivation codes are only available for students with a second-hand copy of the selected book, and won't work without it or with an incorrect edition.

.

Please NOTE:
·Digital resources are valid for 12 months unless stated otherwise.
·Please choose carefully, as digital resources cannot be returned, refunded or exchanged for change of mind.

.

Please note: Subjects not listed do not require any additional items.
