YEAR TWELVE						
<p>NMSHS provides a comprehensive IT infrastructure to support learning in the digital age. The School provides internet access and extensive wireless coverage across the whole school. It is our expectation that students from all year groups bring their own device to support learning in our school. BYOD means you can bring an appropriate laptop or tablet to school and use it in classes and for study purposes.</p> <p>Please note: Subjects not listed do not require any additional items.</p>
